

## NEWS 28.1.2017

CMC has now announced their new releases for 2017.

Apart from the earlier announced Mercedes 300 SL, Auto Union and Talbot Lago-models, there will be 3 different versions of the Lancia D 50, including 2 limited Edition versions GP Monaco, drivers Ascari and Castellotti (LE 1500 only). Also, the Bugatti Type 35 Grand Prix Nation Colour Project will be completed in 2017, with 16 models (3 already issued) in Limited Editions starting from only 300 pcs. Special offer: Buy all 16, get one free (only if pre-ordered before **Feb. 12th**)

Except for the 1:12 scale models and the Signature model M-174, my prices are based on CMC-price (on their website), less 10%. I can only guarantee this price if the models are pre-ordered before **Feb. 12th**. After that date, especially if a model appears to be all pre-sold, prices may go up.

Last year, a couple of models were all sold before they came on the market, so I strongly recommend to pre-order models to avoid disappointment. Please send your orders before **February 12th**. (no obligations/downpayment, but please consider your orders carefully.

A cancellation now and then is not a problem, but if you are unsure about 2 or more models, please order them later, at the moment the models are released. Keep in mind that limited Editions may be all pre-sold before the models arrive)
