CMC NEWSLETTER January 2016-2

CMC have announced their new releases for 2016. You can pre-order these models from now on free of charge and without any obligations. Please do so as soon as possible, as last year has shown some of the limited-Edition models were sold-out within a couple of weeks.

*Price TC-Models: my prices for pre-orders start at the price of CMC on their website LESS 10%. However, they can change as soon as it becomes clear that I will not be able to get all the models I need direct from CMC.

This is another reason to pre-order your models in time. This will give me the opportunity to order the right number of models from the start, and -like I said before- why not do this, as cancellation is free.

PLEASE SEND YOUR PRE-ORDERS BEFORE Feb. 7th, 2016, if possible.

Current orders for the models M-143, M-144, M-145, M-151 to M-154 will be delivered at the new prices for 2016

(According to my Terms & Condition). You are free to cancel your order free of charge in case you don't want to pay the higher price.

Especially the price for the M-144 Mercedes Transporter LO 2750 is now much higher than previously announced, due to higher costs of development and materials/labour. Please let me know as soon as possible (within a month) in case you want to cancel a current order, otherwise I trust you OK with the new price.

In case you have pre-ordered any of the Mercedes-Transporters and you want these now including the limited Edition Cars (see M-163 and M-164) please change your order from M-143 (Blue Wonder) to M-163 and/or M-144 (LO2750) to M-164.
