I. RETROMOBILE PARIS

From 2-6 February we will be exhibiting at Retromobile Paris (stand 3.D.34 / 3.D.40). Our stand is at a totally different place from last year(s). You can find us just 40 mtrs. from the Main Entrance (Entree du Salon).

From the Main Entrance, go straight on (app. 15 mtrs) to the next row (Row C.) Then walk app. 25 mtrs. to the left and you will find us next to the entrance to "Bloc 2", the way to the stairs and toilets.

Some of the new items we will show include:

~CMC C-007 Ferrari Sharknose 1:12 scale
~Bauer Bugatti Esders
~Schuco/Premium Classixx Porsche-Transporter

We hope to meet you there. Don't forget to ask for 2% discount for regular customers (Cash-payment only).

If you want to reserve any models to collect at Retromobile, please send an e-mail before Sat. 29th of January. Thanks.

II.M-088 second Version of the Uhlenhaut Coupe (Ann. Model)

Model M-088, the second version of the Uhlenhaut Coupe (Mercedes 125 years Anniversary model, blue interior) is expected next week. If you have pre-ordered the model, I will contact you as soon as possible. I'm not sure if all models can be delivered before "Retromobile", so please have some patience.

In case you have not ordered yet: my price is 223 Euro. The model is limited to 4.000 pieces.

III. Price-change CMC - last chance to order at "old price"?

It is not sure yet, but very likely that CMC (just like other model-makers) will change prices for next (model-)year. Until the official announcement is made (probably at the Nurmberg Toy Fair, first week of February, you can still order the models which are in stock (see pricelist/orderform) at the old price.

All models which are not released yet will be supplied at the new price.

IV. Further news

Some good news is that (in 2011) delivery of CMC-models will remain free of charge to NL/B/F/D/GB.

Other countries: ask for details.

From 2011, payment by credit-card (VISA/EC/Am. Express) will be possible at an extra charge of 3,5 %.

Of course we prefer payment by bank-transfer or (UK-)cheque, which (in Europe) is free of charge.

From model M-089, the Auto Union Type D #12, I received only a very few models sofar, not enough to supply all pre-orders. The rest of the stock is expected in February, together with the #14 (M-090)
