With just 1,5 week to go to the Festival of Speed I would like to inform you about the latest news about the models I'm showing there, our place on the event etc..

This year we will be on the same field as last year, up the hill, (the Stonedell Exhib.Area), but on a different spot.

Our standnumber is 273 (see attached Map)

From the AUDI-stand, walk along the Bentley-stand for app. 60 meters, you will find us on the left hand side on a corner, second row.

If you come to buy something, please bring some cash, if possible, as commission on VISA-payments has increased a lot. Payment by cheque (in Pounds) will also be possible (no costs).

In case you want to reserve models, please do so before Monday, June 27th.

If you still need tickets for the weekend, please let me know, maybe I can help.

From Bauer, I will have a few 1:18th scale Bugatti Esders available, from Auto-Art the 1:12 scale Jaguar D-Type #6 Hawthorn. From Minichamps there will be the 1:12 scale Maserati Birdcage.

From CMC the M-083 Bugatti Atlantic in blue, two limited Edition versions of the Auto Union Type D (M-089 and M-090), two versions of the Uhlenhaut Coupe (M-076 and Anniversary-model M-088) and of course the very impressive 1:12 scale version of the Ferrari Sharknose #4 Phil Hill.

Also, I can show first pictures of some models still to come: M-085 Bugatti Atlantic black, M-084 Ferrari Transporter, M-098 Mercedes W154 #16 Seaman and M-099 Merc. W154 T-Car Seaman, limited to only 1540 models (sold out from CMC, only few models still available to be pre-ordered). RRP for this model in the U.K. 210 Pound, my price only 156 Pound.
