#### Special limited Edition Ann. Model USA: model M-095A Ferrari Spyder signed by Mrs. Jia

Following the special 20-Year Anniversary M-071A CMC produced for Techno Classica in Germany, CMC USA have now released their own Anniversary-model:

**M-095A FERRARI 312P SPYDER CMC USA 20th ANNIVERSARY MODEL, signed by Mrs. Shuxiao Jia, founder and CEO of CMC.**

This is a worldwide limited Edition of only 200 pieces, exclusively available at CMC USA.

The collector's Signature Edition contains:

- 1 signed 1959 Ferrari Spyder in 1:18 scale
- 1 signed 2015 CMC catalog
- 1 20 Year history of CMC poster.

This special model will definitely not be available from CMC Germany, so I will have to import some myself, meaning ofcourse there will be the extra costs of shipping, import-taxes and VAT to be added to the USA-price. Including all these costs/taxes I can offer just a limited number of models for

**€ 499**

Including all the extra costs and VAT the price is firm, but the model not being available in Europe makes it a very interesting investment.

As CMC has to sell all their Ferrari-models before the end of June (see my earlier Newsletter)

there is very little time left, so if you are interested you will have to let me know before Tuesday, 2nd. Of June.

**Also still available (just a few) Techno Classica 2015 Collector's Edition (only 200 models worldwide) - 20 years CMC:**

M-071A	Ferrari Testa Rossa, 1958 + Catalog 2015, both originally signed by Mrs. Shuxiao Jia, founder and CEO of CMC, + CMC history-poster Techno Classica	€ 389	Now

<b>Arriving June/July:</b>
