IMPORTANT Finalization of CMC-partnership with Ferrari.

CMC's licensing partnership with Ferrari ends 30.6.2015 (end of next month !). This means, CMC has no permission to produce any new stock or new versions like a numbered Ferrari 500F2 or a Le Mans-version of the 312P.

Also, CMC has no permission to sell any Ferrari-models after 1st. of July.

Though this does not include the models that I have in stock after 1st. Of July, you will understand that I can no longer buy models from CMC, so all Ferrari models on my list will be available WSL (while stocks last).
 If you intend to buy any of these models, please do so now as soon as possible.
