First 10 (of 300) Auto Union Type C in 1:12 scale have arrived. (C-008)

Completely by surprise, the first 10 models of model C-008, the 1:12 scale Auto Union #18 Eifelrennen 1936 Bernd Rosemeyer, have arrived. The total of 300 models will be divided between CMC USA, CMC Hong Kong and CMC Germany. Within the next few months, the rest of the models will be distributed. There are still some models available, so if you have not ordered yet please do so as soon as possible. The pictures of the new model, now supplied by CMC, will give you a very good view of the fantastic detail of the model (1.937 parts, of which 1.587 metal)
All pictures are available on my website: www.tc-models.nl

Good news about the other 1:12 scale model: Alfa Romeo 8C Speciale Touring Coupé 1938, Lim.Ed. 300 (C-009)

Some of you may have been in doubt to order this model, as it was first announced as the first RESIN-model to be released by CMC. CMC have now decided to make the chassis of the model of COPPER, just like the Auto Union 1:12 and other 1:12 scale models. I'm sure this will increase the interest in this model, of which quite a few have already been pre-ordered, so if you decide to take one, please let me know now as soon as possible.

Available again: M-129 Bugatti Sport version #43 (just a few)

From remaining stock in Hong Kong/USA, a couple of models of this Limited Edition of 1000 models have become available again.

If you want one, let me know ASAP please, price 399 Euro.
