The release of these models was delayed due to the fact that the CMC-factory in China had to move to another place, which took time and caused problems to find new workers.

In January, CMC will announce their New models for 2020. You will receive my Newsletter then, in order to be able to pre-order these models at the lowest possible price, as usual.

Already published is the release of the **BMW 328, 1936/1940**, and the **Porsche 904**.

Further details in my Newsletter from January 2020.

STOCK-CLEARANCE: since May, an extra 10% discount is available on most of the models in stock.
