

I am enclosing the price list with the Novelties from CMC for 2023.

Contrary to what CMC has previously announced, the Porsche 904 models announced in 2022 will not be available this year either. Its release has been postponed for another year. If you had already pre-ordered them, I will contact you next year for a possible extension of this pre-order.

Prices of previously announced models (Uhlenhaut, Alfa P3) will increase by approx. 8% due to the known reasons: inflation, higher material and energy costs, etc.)

You will find the new prices on the list.

In addition to the models still to be delivered from 2022 (3 x Mercedes SLR Coupe Uhlenhaut and the various Alfa Romeo P3 models), **10 Ferrari GTO models** have been announced for this year. See attached list. Of these, there are 4 Lefthand Drive (LHD) and (new) 6 Righthand Drive (RHD). The LHD models are a bit cheaper.

Ferrari GTO models (LHD) were previously issued in 2016, these have now increased in value considerably. Prices from €1000 to €2000 are quite common.

Pre-orders 2023

For pre-orders, a discount of 5 to 7% applies until January 30, 2023. (see the price list)

Orders are processed in the order they are received, so please place your order as soon as possible

If you have already ordered the Uhlenhaut and Alfa P3 models before, I request that you reconfirm your order please so that I know you agree with the higher price.
