

The new CMC Ferrari 250GTO (RHD) models: a very interesting investment .

CMC will soon introduce a number of models that are particularly interesting.

The cars in question (Ferrari 250 GTOs) were/are often owned or driven by British owners/drivers.

This includes names such as **Stirling Moss, David Piper, John Surtees, Graham Hill, Nick Mason, etc.**

In the appendix an overview of the models expected soon.

FERRARI 250 GTO RHD/LHD

New at CMC are the Ferrari 250GTO models in RHD (right hand drive) version.

The LHD (lefthand drive) version of this model was already introduced in 2016:

4 street versions: M-151 silver, M-152 blue, M-153 yellow, M-154 red and 3 racing versions: M-155 Le Mans #19 , M-156 Targa Florio #86 and M-157 #172 Tour de France. If you still find these models somewhere, they are likely to sell for between €1,000 and €2,500.

Meanwhile, 2 other LHD versions have also been released this year:

M-254 Ferrari 250 GTO LHD chassis #3987, winner 1000km de Paris Montlhery P.+ R. Rodriguez, #1, LE 2200, and

M-255 Ferrari 250 GTO LHD chassis 4219, Laguna Seca 2004 #55

Both models can now still be ordered at the original price of € 619 (€ 511.57 ex VAT).

The RHD versions (6 pieces) are expected from January 2024.

(Pre-)Order

A number of these models (M-247, 252, 253 and 256) are now (almost) sold out at CMC. I have still reserved enough models to still offer them at the original pre-order price.

Given the expected interest, the remaining quantities and what I

said above about the expected price development, I advise you to order as soon as possible, if you have not already done so.

I look forward to receiving your order shortly.

Below is a list of all GTO models (LHD and RHD) that will be released in 2023/2024. In the attachment there are photos and further information about the models that are yet to come.
